

I would like to make a statement and express a concern of the January 8th, 2013 meeting held at the CC Library at 6:30 – 8:00 p.m.

My concern is the meeting was not according to the procedures:

1. Votes were not canvassed and made a part of the minutes only the winner was declared.
with any election a canvassing of votes are made whether it be at a latter date or right after the election.

Total Number of votes cast, the candidates receiving the number of votes not identified. Were any write in votes cast.

2. Again, I re-emphasized Mrs. Edna Reyes a sanctioned member of the commission – which her name and her husband's name appears on the official roster of the Texas Historical Commission for Calhoun County web site has appeared all of last year and perhaps the year prior, was not allowed to vote. Even though I made the statement prior to the election that their name was on the official roster. Marybelle had made the statement that Edna Reyes did not want not to be part of the commission – However, if Edna Reyes did not want to be part of the commission why was she attending meetings.

3. A procedure needs to be in place for notices to be sent upon the approval of the Commissioners Courts' approval of candidates. Joe and I were members since January of last year, however we were told we could not vote – we were guest and could work, and participate, but could not vote – in looking up the commissioners ct minutes – I discovered, yes indeed we were members and we were also denied the right to vote. *In Aug. - I verified we were*

4. *cut.* Also Joe and I were at the restaurant days after the meeting and a new comer approached us that she was allowed to vote along with Ms Stoval who was working at the library the night of the election – she was given the opportunity to cast her vote – she had not been approved by the commissioners court till 1/24/2013.

I would like to make a motion that the January 8, 2013 be declared null and void and new ballots cast – regardless of the outcome of the candidates, if procedures are to be in place, they should be followed

I call for a new election tonight.
