

Calhoun County Historical Commission

September 9, 2014 Meeting

Marker Report

Ed Bell Marker was reinstalled at the Indianola Fishing Marina on July 15, 2014 by Joe D. Brett, Clay Brett, Steve Koch, & John Foester.

The **Great Camel Experiment Marker** was installed on August 29, 2014 by Gary Ralston & John Foester. Dedication to follow.

The **Howard G. Hartzog Marker** is expected to arrive at the museum any day now. Need to discuss installation plans on Courthouse grounds and invitation list status. Dedication will be Oct. 25, 2014. Russell Cain has offered to pay Liz Rudellat to cater the luncheon.

The **Don Martin DeLeon Marker** has arrived at Comm. Lyssy's Precinct. JF met with Comm. Lyssy to discuss location at Six Mile Park on July 27, 2014. Comm. Lyssy designing installation. Should be installed within 60 days of meeting date. He is planning a concrete above-ground base as the ground is impossible to dig into (too much concrete mixed in). Dedication to be set up once installation gets a little closer. JF compiling invitation list.
