

April 12, 2017- Joe D. Brett & John Kassner went to Magnolia Beach to assess what materials would be needed to build a pad for the Weyers- McGuire Cemetery on the Taylor property.

April 22, 2017- Steve Koch, John Foester, Gary Ralston, Joe D. Brett and John Kassner, went to the Taylor property at Magnolia Beach, we built a 6 foot by 8 foot wooden frame and filled it with Fly Ash. We then placed the gravestones in position and glued the stones back together. Mary Belle and Mr. Meitzen came for short visit. Also, Joe D. Brett's grandchildren came and helped shovel the Fly Ash material.

May 5, 2017- Mary Belle Meitzen, assisted by John Kassner, installed new chains around Mrs. Lytle's grave at Ranger cemetery. We also picked up a brushpile inside the cemetery and moved it to the street . Later that day, John Kassner, went back to Ranger Cemetery and sprayed weedkiller on the entrance walkway and around some of the gravestones. Also, John Kassner went to Little Mary's and sprayed weedkiller and did weedeating at that gravesite.

Cemetery Committee Report
