Subject: Commission Meeting

I won't be able to make the meeting tonight, my wife had a surgical procedure done and I have to stay with her, but here's where we're at with the nominating committee: Mary Belle and Phil Thomae have agreed to serve another term in their respective positions, and Sue Thomae has agreed to accept the nomination for a term as Secretary. John Kassner agreed to serve another term as SSgt at Arms. For chairman, we're still looking! I'm waiting on a reply from Russell Cain concerning Larry Nichols-I talked to Russell the other day, and he said he would talk to Larry and get back to me-I'll try calling Russell again today. If any of you have any suggestions, please let me know. Jody Brett turned the position down, and so did Gary Ralston(though he could possibly be persuaded). That's about where we stand today, hope to see you all soon.
